I know this won't get results but here goes!

When we had a store (Sears) that lost money and never did break even we closed the store and cut our loses. The "wastewater" charges for my small condominium in Carefree are larger than my water, elec or gas bills (Liberty Utilities)

My recommendation would be to find out what wastemanagement or some other non governmental org. would charge us.

I have six (6) apartments in Phx and my monthly charge for (6) apts wastewater & waste is \$95 per mo. One small condominium in Carefree that is occupied 3 months a year bears a charge of \$65.40 mo. IT IS NOT WORKING .GET RIDE OF IT!!!
